#### **PLEASE NOTE**

Our family house parties have been a ridiculous success over the past years. We've made a lot of friends, enjoyed amazing press coverage and our own kids loved being at the centre of a child focused hotel experience! Sadly the maintenance of the chateau imposes commercial restraints upon us which prevent us from running these events except in the shoulder months and in 2012 these dates will be the only Family House Party. It's going to be a very good one though!
